The proper Esports gaming setup is critical to your max gaming performance and will give you the EDGE in tournament play. NOVA's esports gaming desk brings design and comfort to all types of gamers. At 36", 42", 48", or 60" desk widths, our Esports gaming desk fits all gamer set-ups and allows max room efficiency.

At 30" in depth our gaming desk allows for perfect monitor placement and allows ample room for your keyboard and mouse. Add NOVA's metal PC holder beneath the work surface to elevate and protect your gaming PC and clears off the work surface for a dual or triple monitor set-up. A standard wire management channel allows for your gaming set-up to be clean and clutter-free while maximizing your efficiency in tournament play.

Nova's professional-grade gaming desks possess features that will make your gaming experience the best it can be. These desks are made specifically for professional computer gamers and enthusiast gamers who demand the highest quality.
