Since 1988, NOVA has provided innovative technology solutions, packaged in quality furniture, for working and learning environments.

From cutting edge Visual Display Options* to the solid American-made craftsmanship of quality laminate casegoods, NOVA solves the challenge of merging technology into traditional and collaborative workspaces.

With a focus on ergonomics, security, and function, our portfolio leads to more productivity in the classroom and in the office. We’re confident we have “The Right Solutions™” for you.

*Visual Display Options include: The Trolley™ E or EXL Monitor Lifts, The Downview™ and Surface Mount Arm.
The Trolley™ Monitor Lift
iMod™ Wire Management
